**STIPULATED MOTION**

Pursuant to Local Rule 16(h), the deadline for plaintiffs' pretrial statement and deposition designations is 30 days prior to the date for submission of the Pretrial Order, which in this case is May 2, 2022. Therefore, the deadline for initial pretrial statement and deposition designation falls on Saturday, April 2. The Boeing Company is operating on the understanding that this deadline applies to Boeing with respect to its counterclaims and third-party claims.

Pursuant to Local Rule 16(i), the deadline for responses, objections and counter-designations to depositions is 20 days prior to the deadline for the Pretrial Order, which would be April 12.

For the avoidance of doubt, and to allow for ten days between the service of plaintiff's pretrial submissions and defendant's submissions, the parties stipulate and agree that pretrial statements and deposition designations of plaintiffs and counterclaim and third-party plaintiffs shall be served on Monday, April 4, and responses, objections and counter-designations will be served on April 14. The parties jointly request that the Court approve this schedule.

DATED this 17th day of March, 2022.
